Premium: A single premium is paid at time of application or policy delivery. If you become re-employed and covered under a new group LTD plan, you may cancel your Transition policy and receive a partial refund.

Coverage Period: The coverage periods offered are 6, 9, 12, 15, 18, 21, or 24 months. The coverage period applied for may not be less than the period of severance or salary continuance.

Benefit Period: Two benefit periods are available – to age 60 (available if you are 55 or less) and to age 65. In either case, benefits begin 90 days after the end of the Coverage Period (“Benefit Start Date”).

Definition of Disability (actual policy wording):

TOTAL DISABILITY or TOTALLY DISABLED means that as a result of Injury or Sickness:

- 1) Prior to the Benefit Start Date and for the first two years thereafter, You are unable to perform the substantial duties of Your Regular Occupation and You are not expected to be able to do so for a period of at least one year from the date of disability. During this period, Total Disability will not exist if you are engaged in any gainful occupation.
- 2) Thereafter, You are unable to perform the substantial duties of any occupation for wage or profit in which You might reasonably be expected to be engaged, with due regard to Your education, training and experience.
- 3) You are receiving care by a Physician that is appropriate in nature and frequency for the condition causing your Total Disability.

Benefit Amount: The monthly benefit amount is based on your final base salary at time of outplacement. The maximum benefit is 2/3 of the first \$2,500 of monthly salary, 50% of the next \$2,500 and 40% of the excess, with an overall maximum of \$10,000 per month. The minimum amount is \$1,000/mo. Benefits are non-taxable.

An indexing option is available, under which benefits are increased each year based on the increase in the CPI, to a maximum of 3% each year.
